OID Board to Hold Special Sessions: August 10 and 17

- WHO:** Oakdale Irrigation District
- WHAT:** OID Board of Directors Meetings to review current and proposed District Service Standards and Improvement Projects
- WHEN:** 6:00 p.m. / Aug. 10 and 6:00 p.m. / Aug. 17, 2005
- LOCATION:** Conference Room / Rama Inn / 1450 East F Street, Oakdale

Background

The Oakdale Irrigation District's Board of Directors will hold two special sessions to review its irrigation and water delivery Service Standards and potential Improvement Projects as part of the District's Water Resources Plan.

The session on Aug. 10 will focus on the District's Service Standards. The Board will be considering current and proposed practices as they relate to water deliveries to its customers.

The session on Aug. 17 will focus on potential Improvement Projects that would enhance OID's service to customers. The Board will review various options.

The Board retained CH2M Hill, an internationally recognized firm in water resources planning, as a consultant to help guide the process of its Water Resources Plan study. The plan will help guide OID for the next 20 years as it considers how to protect its water rights, enhance District services and repair and upgrade its infrastructure.
